A message about our program

Connexion Club is an afterschool program run by Connexion West at Lancaster High School and funded by the Nita M. Lowey 21st Century Community Learning Center grant. The dynamic and enriching program is designed to ignite curiosity, foster creativity, and promote holistic development in students in a safe, fun, and educational environment.

21st Century Community Learning Center

The Nita M. Lowey 21st Century Community Learning Centers (21st CCLC) program provides opportunities for children who at risk to receive academic supports. Lancaster City Schools partnered with Connexion West to offer a program to students in grades 9-12. The school year program ran after school four days per week from October through April. The summer program ran in conjunction with Summer School Credit Recovery during June and July as well as a Youth Development program in July and August.
